TERMS AND CONDITIONS

Object

These conditions shall prevail over any other general or special conditions not specifically approved by Apothicom. Apothicom reserves the right to modify these terms and conditions at any time. In this case the conditions applicable will be those in force on the date of the order by the buyer.

The products and services are offered within the limits of available stocks.

Prices

The prices listed in the form are in Euros, taking into account the VAT applicable on the date of the order.

Prices quoted do not include the cost of order processing, transportation and delivery.

Payment conditions

The payment is due upon invoice receipt, by bank transfer or by check payable to Apothicom Distribution. For clients who are registered as account customers, bill payments are due within a maximum of 30 days from the date of bill edition. Delays may be granted by Apothicom, without exceeding 45 days end of the month or 60 days from the bill edition date.

In certain circumstances, advanced payment guarantees may be asked.

Ownership

Apothicom reserves the rights on the ordered goods until payment.

Delivery

Products are delivered to the address mentioned on the order form.

The risks linked to transportation are borne by the buyer. In case of damage caused to the order, the buyer shall contact the carrier for complains.

Individual Orders and Professional Orders may be shipped from different places. If an order includes products from both catalogues, shipping fees can accumulate and delivery completed at different times.

Delivery cost and times

Once paid by the buyer, orders are treated between 48h to 72h. This period may increase in case of stock shortage.

Delivery times are only indicative and if they exceed thirty days from the date of the order, the contract may be terminated and the buyer refunded. In this particular case, the refund will be total, including the cost of goods re-expedition in case the cancellation happens after the expedition of the ordered products.

Area of delivery

Apothicom is not responsible for any good blocked at customs. The clients are responsible for the import of any product sold by Apothicom in their country and should collect information from national authorities before ordering any product. In all cases, Apothicom will do their best to help in case of blocking at customs.

Orders delivered outside of the European Union can be charged with customs tariffs or other local taxes in vigour in the country of delivery. These fees are at the client's expenses and responsibility.

Guarantee

All products supplied by the seller have the legal guarantee provided by Article 1641 of the French Civil Code.

In case of nonconformity of a product, it can be returned to Apothicom who will exchange or refund it. The product shall be shipped back in its original package, with a note indicating the problem on the delivery order or the bill. Shipment fees will be supported by Apothicom.

All claims, requests for exchange or refund must be made within seven days from the delivery date by email to the following address: infos@apothicom.org.

Cancellation

buyers have a cooling off period of fourteen (14) days after the delivery of their order to return the product to the seller for exchange or refund without penalty. The refund will include the cost of a standard delivery. The re-expedition of the products to Apothicom will be at the buyer's expense.
